

## Orientation Session and Distribution of Orientation Materials for the Master's Program in Agro-Bioresources Science and Technology

Dear New Students,

Welcome to the Graduate School of Science and Technology, and congratulations on your admission to our Master's Program in Agro-Bioresources Science and Technology. It is a pleasure to have you here.

For the distribution of the important documents such as student IDs and orientation materials, please read the information below and follow the instructions.

### 1. Receiving your student ID

Student ID cards, Unified Authentication ID cards, and other orientation materials for the new students will be distributed at the following date, time, and location. Please come to collect the documents at the designated date and time.

① New students of the Biosystems Field

Time: From 13:00 to 16:00 Monday, April 6, 2020

Place: Institutes of Biological and Agricultural Sciences G Building, Room 502

② New students of other fields

Place: Institutes of Biological and Agricultural Sciences F Building, Room 307

Time: It is divided according to the birth month as shown in the table below

Time	4/6 (Monday)	4/7 (Tuesday)	4/8 (Wednesday)
10:00-11:00		Born in October	Born in March
11:00-12:00		Born in February	Born in June
13:15-14:15	Born in January	Born in May	Born in September
14:15-15:15	Born in April	Born in August	Born in December
15:15-16:15	Born in July	Born in November	

### 2. Orientation

Information regarding course registration etc. will be released through the University of Tsukuba's manaba Learning Management System (manaba), please access this website for detailed information. Orientation materials will be uploaded to manaba by April 15th. Please download the documents and follow the instructions to create the Course Registration Plan.

### 3. Contact from university

A message will be sent to your University of Tsukuba email address (s + the last 7 digits of your student ID @ s.tsukuba.ac.jp). Information on how to log in to manaba and how to obtain necessary materials will be sent to this email address. Be sure to check the email frequently using your ID and PW written on your "Unified Authentication ID card".

How to use e-mails: <https://www.u.tsukuba.ac.jp/en-email-after201704/>
